**Prolong the life and increase the efficiency of your slurry pumping equipment.** GIW REGEN Service Center rebuilds and remanufactures pumps and bearing assemblies. Assemblies are restored to OEM specifications using the latest designs and only genuine OEM replacement parts. REGEN can also rebuild pumps and bearing assemblies manufactured by other OEMS

**You can depend on the GIW warranty.** Assemblies are rebuilt to last and carry the standard GIW Warranty on all installed parts. "On Call" emergency service is provided 24/7.

**We stake our reputation on our service.** GIW is highly regarded in the slurry pump market and their expertise is world-renowned.
